- Have you had friends over for dinner or have you gone out lately?
- Are you part of a group of friends that travels, paints, gardens, plays cards, etc.?
- Do you have an exercise group that helps you maintain your independence?
- Are you living in a maintenance free home?
- As a couple, are you having the same needs as you age?

If you can't say "YES" to all the above, it's time to discover what Sterling Estates has to offer...
